

## CAREgiver Support Group

### Grove City CAREgiver Support Group

"Take Good Care of Yourself"

The Grove City CAREgiver Support Group offers encouragement, comfort, advice and resources to those caring for loved ones at home or in a Nursing Home/Assisted Living setting. Monthly meetings cover topics of concern and interest such as guilt, stress, dementia, grief and other topics relevant to caregivers. Speakers from the Alzheimer's Association and other community services are also invited throughout the year.

The CAREgiver Support Group meets every third Wednesday of the month at 10:30am at Orchard Manor. The group welcomes anyone from Grove City and the surrounding area.
