

## Therapeutic Activities

Orchard Manor maintains a Therapeutic Recreation and Activities Office for the Residents and their families. The Department plans and carries out a wide range of programs and activities both inside and outside the facility. Residents receive a monthly calendar of events, a calendar is posted in each unit of the Home and is also in our monthly newsletter. Residents and families are encouraged to bring their ideas and input to the Department.

Church services are held each Sunday at 2:30pm on B Wing. Music and a Bible Study are held every Thursday at 11:15am.

Just like any community, Orchard Manor has a newsletter filled with the happenings in the Home. Activities for the Nursing facility, Personal Care/Assisted Living Residence and our Alzheimer's/Dementia Unit are included. Subscriptions by mail are also available. To view our activity calendar for the month please click the "Activities Calendar" link.
